

## 4th Award Ceremony for NTT Technical Review Held

The 4th Award Ceremony for NTT technical publications (NTT Technical Journal (in Japanese) and NTT Technical Review (in English)) was held on July 18, 2008 at the NTT Head Office in Tokyo. For the NTT Technical Review, two of outstanding papers were selected from among all the Selected Papers, Special Feature Articles, Regular Papers, and Letters for 2007.

Dr. Yoshio Itaya, Editorial Supervisor of the NTT Technical Review and Executive Director of NTT Science and Core Technology Laboratory Group, presented award certificates and supplementary awards. The award recipients shared interesting stories about their work and papers. The award ceremony was followed by a very amiable get-together between the award recipients and the editors of these publications. The award-winning papers for the NTT Technical Review are listed below.

### NTT Technical Review: 4th Award Ceremony for Outstanding Papers for 2007

#### **Special Feature: Satellite Communication Technologies for Broadband Mobile Services “Multibeam Phased Array Feed System Using Beam Group Concept”**

(Vol. 5, No. 1)
